

Special Education Parent Advisory Committee Minutes

Date: Tuesday April 14, 2015 **Time:** 6-7:30 pm

Location: District Office Board Room

Agenda:

1. **Tim Dittberner** bond referendum presentation **There is information available on the NPAS website if you have questions: <http://www.npaschools.org/referendum>**
Be sure to get out and vote on May 5
2. **ESY** Overview and dates of programming **See attachment, Amy talked about Extended school year and targeted services for students during the summer. She provided a schedule for these programs and talked about “Unique Learning Systems Curriculum” used in the summer. There are summer services going on in June and July for students preschool to transition age (thru age 21). All staff that will be providing summer services are current district staff.**
3. Spring Special Education **Staff Appreciation** (Kris and Jen) **An invitation to get involved will be sent out from our SEPAC chair, Kris Palma. They will be bringing food to the special education staff in each of the programs during staff appreciation week. Exactly what they do will depend on the amount of support they get from other parents that are willing to get involved.**
 - a. May 4-8
4. Follow up regarding list of **County Resources** **There is a request to update and summarize what county resources are available for each of the counties represented in our district (Scott, Rice and LeSueuer). Once updated and ‘fine tuned’ it will be made available on the website.**
5. **Other topics** brought forth by attendees
