Letter from the President

On behalf of all of the stakeholders in the New Prague area—students, grandparents, parents, building/district administrators, and residents—I want to extend my sincere appreciation and congratulations to all of you for supporting such an important cause.

Reflecting on the past year I am so proud of the many accomplishments of this group of remarkable people. Our Board of Directors has worked tirelessly to lead, direct, and establish goals and benchmarks for this organization. We remain committed to granting funds that help our teachers provide our students with extraordinary educational opportunities that successfully prepare them for the future. This past year, we blended the

Grants approved for local schools Brain Power Walk/Run

2010-2011 was a busy year for the grant committee of the New Prague Area Education Foundation. We began the first round of grants in the summer of 2010 and approved over \$7500 to fund enrichment curriculum initiatives in local schools. To date we have contributed nearly \$16,000 to both the public and private schools in New Prague Area Schools. Below is a list of the grants we have funded:

- Autism speaker for High School
- 1st Grade Reading CD players/headsets/CD's (Raven Stream)
- 1st Grade: Creating Lifelong Readers at Eagle View
- IPAD: Special Education
- Blood Typing/Middle School Science activity
- Motivating Math Minds: St. Wenceslaus
- Technology Enhanced Instruction: St. Wenceslaus
- A Cut Above: High School Special Education
- Restaurant Management simulation software: High School Business
- Project Read-a-loud: High School Language Arts
- Just Right for Us: Kindergarten Reading at Raven Stream
- Number Sense w/ Math Racks: Eagle View

We are excited about these new initiatives in the local schools. For more information on contributing to the grant fund, please log onto the website at www.therootstogrow.org

NPAEF hosted the first annual Brain Power Walk/Run for Everyone on September 18, 2010. While the weather may have been chilly, the spirits were warm and cheery! Over 200 participants ran, walked, pushed strollers, walked their dogs, and some even dribbled basketballs all for a good cause! The event raised over \$6,000 and we hope to have an even more successful event in 2011 with the addition of a 5K run/walk. To register for the event or for more information, please log onto the website at www.therootstogrow.org. The date of the event this year is Saturday, September 17.

Dollars for Scholars fund with the NPAEF for the purpose of distributing scholarships to our graduating seniors. We were also able to give over \$17,500 to graduating seniors for post-secondary education. We are looking forward to expanding this initiative in the future.

Once again, thank you for your generous support. Your contributions have helped us provide funds for students and teachers to empower them and enrich their educational lives.

Enthusiastically,
